Bomber Boosters -

I would like to personally thank you for your generous donation of \$300⁰⁰ to the Bomber Baseball Team on our recent trip to Sebec. I honestly believe that it is gratitude like that, that makes our kids feel special, and, in turn makes them play better. It was a great tournament for the Bombers - we had so much fun and played so well - something everyone in town can be proud of!

Thanks again -
Ben
